

The Pilot International Pathway Programme of CA ANZ

The Pilot International Pathway Programme of CA ANZ is a unilateral offer by CA ANZ to ICAI members based in Australia and New Zealand and is in addition to the proposed MoU.

The salient features of the CA ANZ International Pathways program is as under:-

- a) The programme examines the contemporary Australasian business, accounting and finance environment relevant for CAs of ICAI and other international bodies seeking to become members of CA ANZ.
- b) Members must be living in Australia or New Zealand to be eligible to apply.
- c) The programme is designed around a two day workshop and is being piloted in Sydney and Melbourne. During this time the programme will be refined to then be implemented into mainstream offerings longer term.
- d) Prior to the two day workshop, it is expected that up to 40 hours of self-study will be required to complete all necessary pre-work.
- e) During the workshop participants will be assessed through oral and written communication tasks and assessments. All assessments will take place during the workshop.
- f) Members will also have the option to complete the Capstone Module of the CA ANZ CA Program if they prefer during this pilot.
